SUBJECT: Key for Room 307 South Building

It is hereby requested that the duplicate key for Room 307 South Building held by the guard in this building be released to this office. Classified material is kept in this room and, without a key, the only entrances are through the offices of Mr. Houston and Mr. Pforzheimer. As meetings are held in these offices quite frequently this makes an awkward situation which would be eliminated by the possession of this key.
